

Terms and Conditions of the Premium Finance Facility

1. Premium Finance Facility

Upon acceptance of your application by Attvest this document, any addenda hereto and your application will make up the complete agreement between you, the Customer (as defined in your application), and Attvest for the premium finance facility provided to you by Attvest as set out in your application (Agreement). The purpose of the premium finance facility is as set out in your application, and the amounts provided under the premium finance facility must be used to pay insurance premiums or related Intermediary or other charges or all of them. Attvest may in its discretion pay the Total Premium by instalments on or before the dues dates for such instalments or in full on or before the due date and related Intermediary charges. Attvest will pay such amount(s) directly to the Intermediary or the Insurer in Attvest's discretion, and such payment(s) are a fulfilment of Attvest's funding obligations under this Agreement. For the purposes of this Agreement Intermediary includes your insurance broker (and its broker group) and any other of your agents or representatives, and any person noted on your application (whether by you or by Attvest) as being responsible for or giving rise to your application. Attvest relies on the accuracy of information provided to it by you, the Intermediaries, and by others on your behalf, and Attvest will not normally seek to verify or check any information provided to it by you or them. You acknowledge that Attvest will be entitled to rely on such information and representations when carrying out its obligations under this Agreement and confirm that the Intermediary is authorised to act on your behalf.

2. Pre and Continuing Conditions

- 2.1. Prior to Attvest paying the Total Premium, or any instalment of an insurance premium:
- (a) Attvest must receive from you the amount of the Total Initial Payment; and
 - (b) Attvest must be satisfied that the policies of insurance have been issued and:
 - (i) assigned or transferred; or
 - (ii) you have duly granted the delegated rights in accordance with the terms of this Agreement;
 - (c) Attvest must be satisfied with the outcome of its credit approval process in respect of you and your application, including confirming and re-confirming from time to time your creditworthiness through third-party credit information providers; and
 - (d) you must pay the Instalment Amount punctually on each due date.

Attvest may refuse to pay the Total Premium or refuse to pay any instalment of the Total Premium if these conditions have not been fulfilled or do not continue to be fulfilled.

- 2.2. The Total Amount Repayable is immediately due and

payable and Attvest may take any steps without further notice, including cancelling any insurance policies funded under this Agreement, and exercise any of its rights and powers under this Agreement, whether in preference to its own interests or otherwise (including terminating this Agreement), if:

- (a) you have failed to make one or more instalment payments under this Agreement;
- (b) Attvest has notified you in writing that the insurance policy may be cancelled unless the outstanding payments are made within 14 days of receipt of the notice; and
- (c) at the time Attvest cancels the insurance policy (being at a time at least 14 days after the receipt of the notice given under clause 2.2(b)), the outstanding payments have not been received by Attvest.

3. Payments

You must pay to Attvest the Amount Financed, which includes the Credit Charges, by equal instalments. The first instalment is due on the Date of Initial Instalment. Subsequent instalments must be paid on the same day of each interval thereafter. If the payment day falls on a day that is not a banking day, Attvest may direct your financial institution to debit your account on the previous banking day. For the purposes of this Agreement Credit Charges means the amount stipulated in your application and includes the total of all fees and charges made or collected by Attvest for the provision of the Amount Financed under your premium finance facility, but does not include other amounts that could become payable in the event of your default. Attvest is authorized and entitled to draw funds from your nominated financial institution in payment of the Amount Financed and all other amounts charged under this Agreement from time to time, including additional insurance policies funded under your premium funding facility. Credit Charges are non-refundable.

4. Assignment of Insurance Policies

To the extent that the insurance policies are not impaired thereby you unconditionally assign and transfer to Attvest all of your right, title and interest in, to and under, but not any obligations under, the insurance policies funded under this Agreement and which are in existence on the date of your application or come into existence after the date of acceptance of your application by Attvest, including all proceeds of such insurance policies, in consideration for the provision of the premium funding facility in accordance with this Agreement. To the extent that the Total Premium is paid and the relevant insurance policy is issued, the fact that any of the conditions have not been satisfied or the terms of the relevant insurance policy are to the contrary will not act to invalidate any assignment or transfer of the relevant

insurance policy under this Agreement. If an insurance policy requires the insurer's written consent for an assignment you undertake to obtain such consent if required by Attvest and you specifically authorise and empower Attvest to take such steps as may be required to obtain such consent on your behalf. An assignment or transfer of rights in respect of an insurance policy contemplated by this Agreement will not constitute, and is not intended to result in, any assumption by Attvest of any obligation of yours, any Intermediary, insurer or any other person in connection with the relevant insurance policy or any document or agreement relating to any of them.

5. Exclusive Delegation

Insofar as an insurance policy funded under this Agreement is not assigned or transferred to Attvest, at all times you agree that you hereby:

- (a) undertake not to deal with (including without limitation making claims or cancelling, voiding or terminating the insurance policy or assigning or charging or granting other security interests in the insurance policy) the relevant insurance policy in any way other than in terms of this Agreement; and
- (b) exclusively (including to your own exclusion) and irrevocably and unconditionally delegate to Attvest your rights, powers and discretions under the relevant insurance policy (including all statutory rights and entitlements), but not any obligations under the insurance policy, with authority and power in Attvest's absolute discretion to exercise any right, power or discretion of yours with respect to the relevant insurance policy rights held by you, including the right to cancel the insurance policy and to exercise rights to Attvest's benefit and to keep as Attvest's own (**delegated rights**), and you will notify and instruct Intermediaries and insurers accordingly and in writing if so required by Attvest.

6. Dealings with an Insurance Policy

Insofar as an insurance policy is assigned or transferred to Attvest and you have appointed Attvest your delegate in respect of an insurance policy (as the case may be), at any time while an Event of Default has not occurred or is not continuing, Attvest authorises you to exercise any right, power or discretion of Attvest with respect to the assigned or transferred insurance policies or delegated rights (as the case may be) held by Attvest under this Agreement to the extent the right, power or discretion is inherent and necessary to the exercise by you of your obligations (if any) under an insurance policy, provided such exercise by you would not result in an Event of Default or breach of this Agreement. Any action taken by you in accordance with this paragraph will not constitute fraud, negligence or wilful misconduct on the part of Attvest. For the avoidance of doubt, if an event occurs or a circumstance arises entitling you to make a claim under an insurance policy you are obliged to inform Attvest before making such claim and it shall not affect Attvest's rights under this Agreement, including Attvest's

- (a) right to require payment of your indebtedness under this Agreement from the proceeds of that claim or
- (b) ability to exercise any of Attvest's rights and powers (including delegated rights) under this Agreement in preference to your claim or for Attvest's own benefit.

7. Appointment of Attorney

7.1. You irrevocably appoint Attvest and each authorised representative of Attvest severally as your attorney to do any one or more of the following on your behalf and in your name or the attorney while your indebtedness to Attvest subsists:

- (a) anything necessary or desirable in the opinion of Attvest or the attorney to:
 - (i) give full effect to this Agreement;
 - (ii) secure or better secure your performance under this Agreement; or
 - (iii) assist in the execution or exercise of any power, including execute any transfer (including any transfer in blank) or other document;
- (b) make credit or other inquiries from time to time in connection with your application and this Agreement and any current for future premium finance facilities and authorizing Attvest and any credit reporting agency or bank to obtain or provide information to Attvest;
- (c) demand, sue for, recover and give discharge for an insurance policy funded under this Agreement;
- (d) commence, carry on, enforce, settle, arrange and compromise any proceedings to obtain or enforce the payment or delivery of the relevant insurance policy or the benefits due thereunder;
- (e) take any necessary proceedings to procure the bankruptcy or the winding up of any debtor of yours in connection with your indebtedness to Attvest, and attend and vote at meetings of creditors, receive dividends in any bankruptcy or winding up or appoint a proxy for any of these things;
- (f) compound, settle or compromise any debt of yours in connection with the relevant insurance policies;
- (g) execute any deed of assignment, composition or release in connection with the insurance policies funded under this Agreement;
- (h) exercise all or any powers, rights, discretions and remedies available under or in connection with the insurance policies funded under this Agreement (including rights available under the Insurance Act, Corporations Act, the PPSA or any other statute) and to keep as Attvest's own; and
- (i) do anything else that you must or may do, or that Attvest may do, under this Agreement or by law, at your cost and including executing any documents and completing any blanks or making amendments to alter incorrect details to ensure the accuracy and completeness of recorded information.

7.2. You agree to ratify anything done by an attorney under this appointment. An attorney may appoint or remove substitutes, and may delegate its powers (including the power to delegate) to any person for any period and may revoke the delegation. The

appointment of attorney under this Agreement by you is made primarily to give effect to your grant of authority and powers specified in this Agreement, but also to secure your performance of your obligations under this Agreement.

7.3. Attvest or an attorney is not required:

- (a) to give notice of a grant of power or security or any assignment or transfer to any debtor or creditor of yours or to any other person;
- (b) to enforce payment of any money payable to you including any of the debts or monetary liabilities owed or secured by this Agreement or by any insurance policy benefits; or
- (c) to obtain your consent to any exercise of a power under this Agreement.

7.4. Attvest is not obliged to:

- (a) notify any debtor or member of yours or any other person of this Agreement; or
- (b) enforce payment of any money payable to you, or take any step or proceeding for any similar purpose, but may do so at its convenience.

We will not charge an early termination fee. If an insurance policy funded under this Agreement is cancelled early, you must pay to us all amounts due under this Agreement in relation to that policy (this will include instalments, credit charges and any other amounts due). You will then have no liability to make further payments under this Agreement for the cancelled insurance policy. We will apply any return premium for the insurance policy to your account and will refund to you any excess. 8.6. You or an Intermediary may request that **further or additional insurance policies** be funded by your premium finance facility under this Agreement. Attvest may in its absolute discretion agree to fund such further or additional insurance policies. If Attvest agrees to fund such insurance policies within your premium finance facility, in Attvest's discretion:

- (a) your Instalment Amount and Total Amount Repayable and relevant dates and details in the Loan Request Schedule of your application may be re-calculated to reflect these changes; or
- (b) Attvest may establish a separate loan schedule and that loan schedule and the fees, charges, costs and Total Amount Repayable and other details set out in that loan schedule will be included in your indebtedness and incorporated in the terms and conditions of this Agreement.

8.7.

8.8. You must in addition to any other amounts pay:

- (a) all stamp duty, **taxes** or government fees payable by law in connection with this Agreement (whether or not disclosed in this Agreement); and

to communicate the cancellation in the time or manner stipulated in this clause 10.4 Any variation in the timing or procedures set out in this clause 10.4 will not amount to a waiver of from any of Attvest's rights under this Agreement.

11. Liability for Loss

None of Attvest or any of its authorised representatives or any attorney is liable for any exercise, omission or delay in exercising any power, right, discretion or remedy under this Agreement or for any involuntary loss or irregularity that may occur in relation to the exercise or non-exercise of any of them except to the extent of its own fraud, gross negligence or wilful misconduct. To the extent permitted by law, none of Attvest, an authorised representative of Attvest or attorney or other person appointed by Attvest under this Agreement is liable for any loss that you suffer as a direct or indirect result of the exercise or attempted exercise of, or failure to exercise, any of Attvest's rights contained in this Agreement or any release or dealing with an insurance policy or any guarantees or other security interest (including any prejudice to or loss of your rights of subrogation). To the extent permitted by law, if Attvest is in possession of an insurance policy or a receiver enters into possession of insurance policy, none of Attvest, any of its authorised representatives or agents or any attorney or other person authorised by Attvest is liable to account, whether as secured party in possession or otherwise, for anything except actual receipts; or for any loss on realisation or for any default or omission for which a secured party in possession might be liable. Attvest, an authorised representative of Attvest, or attorney, or other person appointed by Attvest under this Agreement may exercise or agree to exercising a power given by this Agreement or by law even though that person may have an actual or potential conflict of interest or duty in, or might benefit from, exercising the power. You absolutely and unconditionally indemnify Attvest on a full indemnity basis (including legal costs charged at the usual commercial rates of the relevant legal services provider) against all loss, cost or expense Attvest might suffer or incur in relying on your and your Intermediaries representations, taking steps under this Agreement or enforcing this Agreement.

12. Settlement of Premium Finance Facility

12.1. Attvest must at your request and cost assign, transfer, surrender or release the insurance policies and delegated rights (as the case may be) to you and the power of attorney will then be discharged when Attvest is satisfied that:

- (b) all your obligations under this Agreement have been performed; and
- (c) no amount remains contingently payable or may become payable on the insurance policies or delegated rights (including under an indemnity); and

12.2. If Attvest is required to return or repay any money or asset it received and applied to your account in satisfaction of your indebtedness in bankruptcy

or liquidation or otherwise, Attvest is entitled to all rights in respect of the relevant insurance policies and delegated rights and appointment as attorney and against you which it would have had if it had not received that money or asset. You indemnify Attvest against any resulting loss, cost or expense. This paragraph will survive the discharge of this Agreement and any assignment, transfer, surrender or release of the insurance policies and delegated rights and powers of attorney (as the case may be).

13. Appropriation of Funds

Attvest is not under any obligation to marshal or appropriate in your favour or to exercise, apply, perfect or recover any right or interest that Attvest holds as its own or as a security interest (whether under the PPSA or otherwise) at any time or any funds or property that Attvest may be entitled to receive or have a claim on. Attvest is entitled to apply netting and set-off of amounts owed or owing to your account in respect of the insurance policies funded under this Agreement or any other agreement with Attvest and your indebtedness to Attvest, and Attvest may appropriate receipts to your total indebtedness in any priority and in its discretion. Any amount owing to Attvest under this Agreement must be paid by you in full without any deduction. You agree that any certificate signed by Attvest or on its behalf stating the amount due and payable or the amount of your indebtedness to Attvest, whether currently due and payable or not, is sufficient evidence of that amount as at the date stated on the certificate, or failing that as at the date of the certificate, unless it is manifestly incorrect or the contrary is proved.

14. Commissions

Attvest may pay commission(s) to Intermediary(s) in connection with this Agreement. If directed by your Intermediary(s), we will show the commission payable in the Loan Request Schedule. If the commission is not shown, you may ask your Intermediary to disclose the commission to you. Commissions are included in the credit charges and are paid at or after the commencement of this Agreement. Attvest may pay service fees to intermediary groups in the insurance or finance broking industry. If you have questions about service fees, please contact us. Service fees are paid periodically in arrears.

15. Quotations & Inquiries

Any quotation on a premium finance facility is valid for 15 days from date of issue. A quotation does not indicate approval of your application, which is subject to a credit risk assessment and the terms and conditions of this Agreement. Attvest reserves the right to amend the quotation if its acceptance would be outside the terms of this Agreement. You consent to and agree that Attvest can make any enquiries in relation to your application or to any subsequent applications or your premium finance facility that it may require and to any persons, including any credit reporting agency or bank, and provide those persons with details of your application or any matter arising from your premium finance facility now or in the future.

21. Important information about the Indicative APR

AFIA IPF Code of Practice Disclosure:

The APR is the rate that is used to calculate the cost of the loan taking account of the reducing balance of the Loan Amount, expressed as an annual rate. For the purposes of calculating the APR, the cost of the loan is exclusive of fees.

The APR is indicative and assumes the loan starts on the inception date of the insurance policy(ies) being funded. The Total Repayment Amount (including Application Fee) will not exceed the sum shown even though the APR will differ if the date of acceptance of the offer is later than the inception date of the insurance policy.

The APR is not a term of the offer and is provided to allow a simple comparison of insurance premium funding products.
